TIMELY WARNING  
Possible Threat to the Community  
"Your Right to Know"

September 10, 2021

**Type of Report:** Sexual Assault Offense

**Incident number:** 2021-0480

**Reported offense:**

A sexual assault offense was reported to MSUM Public Safety on September 10, 2021 at 1:01 p.m. The reported assault occurred on September 2, 2021 in Grantham Hall. The victim, who is a student, reported a known individual (also a student), sexually assaulted them. No further information was given regarding time of incident, description of suspect, or any other identifying information.

Remember:

- Perpetrators are responsible for sexual assaults. Perpetrators take advantage of vulnerability and seek opportunities to commit sexual assaults.
- Trust your instincts. If you feel unsafe, get to a safe place and call for help.
- Get verbal consent from your partner, and don't assume you know what the other person wants.
- Consent can be withdrawn at any time.
- Don't feel obligated to do anything you don't want to. "I don't want to" is always a good enough reason.

**Resources available**

This warning addresses a report of sexual assault. Resources are available on and off campus.
